

Vintage Jill and Vintage Ginny Sister Collection

Vintage Jill and Vintage Ginny Sisters – The Vogue Doll Company is proud to debut Vintage Jill in our 2012 catalog! Created from an antique Jill, she has the original face, sleep eyes and body sculpt. Complemented with beautiful wigs, costumes and oh, those fabulous shoes Jill is ready for any special occasion.

Vintage Ginny wants to be just like her big sister Jill. Wearing coordinating costumes, the Vintage Ginny Sisters take us back to our childhood when dressing up like your big sister was a perfect day. Alice Leverett has created the gorgeous costumes for Vintage Jill and Vintage Ginny Sisters that are inspired by Vogue's early years.
